BURIAL GROUND CHARGES - NOTES

***Non-Angus Resident Charges**

Following a review of our charges, elected members recently approved an amendment to when the 'non-resident' charge is applied to burial charges. With effect from 1 April 2021, the non-resident charge **will no longer apply** in the following circumstances:

Purchase of Lairs	1/ Where the lairholder has lived in Angus for the majority of their life, they would retain resident status. 2/ Where the lairholder was resident and moved out of the area for care or medical reasons within their final 5 years, they would retain resident status.
Interments	1/ Where the deceased lived in Angus for the majority of their life, they would retain resident status. 2/ Where the deceased was resident and moved out of the area for care or medical reasons within their final 5 years, they would retain resident status.

In every case, the onus will be on Funeral Directors to state resident status on application and provide sufficient evidence of status, should this be required.

****Perpetuities/Upkeep of Ground**

Perpetuity Fee is a one-off charge to cover maintenance and upkeep of lair. The fee will be applied from 1 April 2017 as follows:

Pre-Purchased Lairs	at time of opening ground for first interment after this date
Purchase of Lairs	at time of purchase
